SEAMENS INSTITUTE OPENS FRIDAY

THERE WILL BE A GRAND OPENING TO WHICH THE PUBLIC IS CORDIALLY INVITED.

The Seamen's and Fishermen's Institute is on longer only a talk, a plan on paper with subscription list attached, but a living, breathing, moving reality. And to convince everybody of this, the public is cordially invited to be present at the opening exercises of the new Institute on Exchange street between Eleventh and Twelfth, Friday evening, May 31, at 8 o'clock. A good program has been arranged for, and refreshments will be served.

This Mission to seamen and fishermen in Astoria speaks stronger than words, not only to our neighboring cities, but to cities abroad wherever ships and sailors enter, that Astoria is not all darkness, graft, vice and debauchery. But that Astoria has a heart and feeling for the stranger that comes within her gates; that here are men and women vitally interested in the welfare of humanity. Astoria can compare well with any city in her showing of practical Christianity and her interest in the toilers of the deep.

A TEN PER CENT INCREASE.

Entire Burlington System Raised From May 1.
CHICAGO, May 29.—A dispatch to the Tribune from Omaha, Neb., says: Salary advances averaging 10 percent all around have been granted by the Burlington to employees over the entire system. The increases became effective on May 1 and will show up in the pay checks to be distributed Saturday.

Practically every employee of the road, both west and east of the Missouri river, shares in the advances except the trainmen, whose pay is fixed by conference, and the telegraphers, who recently received an advance.

Each department is given a 10 percent additional allowance, and this is distributed at the discretion of the heads of the departments. The raises are adjusted according to individual merit.

In the Omaha offices alone there will be an increase of approximately \$50,000 a year.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

ROBBED CHINESE.

Edward Boeck, the Jewelry Thief, Took Thousands of Dollars.

NEW YORK, May 29.—It was stated today that Maiden Lane and Fifth avenue jewelers were not the only ones who suffered a financial loss when J. Edward Boeck, the jewelry salesman, left this city with large sums obtained through the sale of borrowed jewels. It was said by a Chinese merchant of this city, a former representative here of his country's government, that Boeck, when he departed, took with him thousands of dollars, the funds of a promotion enterprise, in which he acted as agent for a Shanghai company.

Officers of the Jewelers' Protective Association, who has been looking for Boeck, are confident that the fugitive salesman will be under arrest soon.

FAIRFAX, Wash., May 28.—Lost in the woods since Saturday night, Bert M. Lindsey, a school teacher, 27 years old and his little 10-year-old companion Lawrence Mack, are being trailed by Deputy Sheriff Bob Hodge of Black Diamond and his two bloodhounds together with four searching parties of 25 each in an effort to save them from starvation.

Mrs. S. Joyce, 180 Sullivan St., Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Cure. It cured me of a severe case of Kidney trouble of several years' standing. It certainly is a grand, good medicine, and I heartily recommend it." T. F. Laurin, Owl Drug Store.

Government Against a Road From Rome to the Coast.

LONDON, May 29.—The Rome correspondent of the Daily Mail says that the subscribers to the scheme to procure a papal road from Rome to the coast are warned that the government will never allow it to be carried out, as it would be likely to convey the idea of the restoration of the Pope's territorial jurisdiction.

Kidney complaint kills more people than any other disease. This is due to the disease being so insidious that it gets a good hold on the system before it is recognized. Foley's Kidney Cure will prevent the development of fatal disease if taken in time. T. F. Laurin, Owl Drug Store.

QUEEN MAUDE IN RUNAWAY.

Queen of Norway and Madame Fallieres Saved By Grand Duke Michael.

PARIS, May 24.—While crossing a bridge on the way to Versailles, today, the horses drawing a landau containing Madame Fallieres, Queen Maude and Grand Duke Michael commenced plunging furiously. The horses fell into the water dragging the postillions with them, the Grand Duke burst open the door of the landau and half carried the Queen and Madame Fallieres from the carriage. Immediately afterwards the vehicle went into the lake.

President Fallieres has decided to go to Norway this summer to return King Haakon's visit. It is probable that his trip will be extended to England, Denmark and other countries whose sovereigns have been the guests of France.
